TO THE DIRECTOR

This brisk salsa tune features an "Earth, Wind & Fire" unison horn theme over a percolating Latin groove. Listening to the CD recording mentioned at left before your first rehearsal will help players understand the intended feel and mood of this chart.

Two areas which will require some extra attention are:

1. getting the rhythm section to play the ostinato groove with accuracy and swing since this figure occurs throughout the piece.
2. working with the horn section on the syncopated rhythms and stabs for precision and feel, then having them play with the rhythm section.

The rhythm section also needs to find some nice ways to alter their activity while accompanying the soloists. The original piano figure at the top of the tune, for example, is also effective behind the soloist. And the drummer can go to the ride cymbal and "open up" the groove during solos.

BOB MINTZER

New York City saxophonist and composer, he has written for and/or recorded with Deodato, Buddy Rich, Tito Puente, Hubert Laws, Art Blakey, Teruo Nockamura, Thad Jones-Mel Lewis, and many more! As a leader of his own band, Bob's recordings on the prestigious DMP label have earned the praise of jazz experts and critics the world over. In addition to all of this, Bob is also a member of the fabulous Yellowjackets.
