TO THE DIRECTOR

This spirited shuffle is guaranteed to get the band and the audience grooving. Lots of catchy figures, powerful ensemble sections, and an engaging groove give this chart a lot of energy without extreme demands on the players.

Charles Mingus' "Nostalgia In Times Square" will serve as a good stylistic reference for the band, and the drummer should listen to Art Blakey play a jazz shuffle for a style guide. Be sure the rhythm section focuses on playing energetically without excessive volume. Horn players should observe all articulations, playing the figures nice and crisp.

The solo section at measure 33 is open, and is over the standard 12 bar blues in F. A solo sheet is provided, however players should be encouraged to improvise their own solo.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.
