TO THE DIRECTOR

Dedicated to the late Larry Swist, recording engineer and speaker designer, this challenging shuffle works equally well as an opener, closer, or anything in between.

An aggressive approach will work well on this groove-oriented chart. The rhythm parts are thoughtfully written and the wind parts are meticulously articulated. The key to the relentless groove is for the drummer to emphasize beats 2 and 4 of the shuffle rhythm. Observing the articulations and dynamic markings will add to the success of the performances. Solo changes are offered in all the saxophone parts.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.
