

## Errata Sheet

### JUNIPER

by Kristen Shiner McGuire

The music contains four errors that were not discovered until the music was printed.

- Measure 177- The lowest note on the bottom staff should be an F, not A.
- A measure of music is missing between measures 10 and 11. After playing measure 10, add a measure of the ostinato pattern in the left hand. The right hand should rest for the measure. This inserted measure is the same as measure 3.
- The chord in measure 127 should be spelled "Eb-Ab-C".
- Measures 137, 139, and 144 should all begin with a quarter note rest not an eighth rest.
